

MASTERS INFORMATION

GENERAL INFO

- Area 8 is specifically for masters. Please notice that all the other hangers are reserved for only use of Senior and Paracanoe National Teams. Please put materials and boats ONLY in the designated masters area.
- Please use the public parking areas for your vehicles. Bring your boats inside by hand. Use hangar 0 for main entrance.
- As soon as you arrive come to the public entrance and search for accreditation. Mandatory to present ID card for age check. Be aware to go to accreditation if possible at least 24h before your race time.
- Please respect the Seniors and paracanoe Athletes. There are many shared areas in the Teams area, please do not disturb the National teams' elements during the competition hours. Respect and be respected.
- Please wear accreditation at all times at the Venue.
- Lunch included for all for the 4 days of competition. Accreditation card needed.
- Masters will be able to add accompanying people, under the payment of a 50€ fee. This fee does not include lunch or souvenirs at the venue.

RACING

- Before start of the races all masters must pass ID control with bib, accreditation, boat and paddle: No ID control = No Race.
- Please wear national uniform.
- No watches or devices on the boat with immediate feedback (visual, sound or vibration) all other devices will be taken of for boat weight control after race.
- Boat numbers will be received after you pass ID control. Please return the numbers right after your race
- Please be aware of current races when you go from the warm-up channel into the race venue.
- Training is possible only between 1000 and 2000 meters during Seniors and paracanoe Races.
- Only enter the start area when your race is next, and enter in your lane (do not turn)
- Stay in the middle of your lane (middle 5m) , when deviating, return immediately.
 - A boat which leaves its allocated lane is disqualified –DSQ
 - Capsize – DNF
- Post race boat control: always control the LED screen to come to boat control when required, missing boat control = DSQ

10.000m:

- 4 laps at 1000m and 1 lap at 500m.
- Counterclockwise turns
- 12-14 kg boats
- No pumps

After the races

- Protest or appeal: go to information desk immediately after the race: contact Monica.No direct access to competition committee or tower
- Medals ceremony only for the European Title Races. The remaining medals will be given at info desk after your races.
- Please come to medal ceremonies on time (no caps or sunclasses, no flags) and please wear national uniform.
- Classification will be available by group age, in combined races.
