# Montemor-o-Velho

The Championships will take place in Montemor-o-Velho, Portugal

Montemor-o-Velho lays between the main cities of Coimbra and Figueira da Foz.

Montemor-o-Velho (Portuguese pronunciation) is a town and municipality of the Coimbra district, in Portugal. It has roughly 30,000 inhabitants.

Montemor-o-Velho, which was once a land of farmers, is now facing the tertiary sector activities, partly due to the installation of governments offices, financial institutions and services; such as small traders. The industry is represented by several manufacturing plants of small and medium size.

Agriculture continues to have great importance. People grow maize and rice using increasingly modern processes. The existence of a Vocational Agricultural School, together with the Cooperative and the services of the Agricultural Zone DRABL, contribute to technical expertise that improves the productivity of the fields.

The city of Montemor-o-Velho is the co-organizer of the Masters Canoe Sprint World Championships 2025, in partnership with the Portuguese Canoe Federation.

## Venue

This Championships will be held at Montemor-o-Velho High Performance centre, located in the village of Montemor-o-Velho and the only Canoe Sprint Olympic course in the country.

The Centre for High Performance Montemor-o-Velho [CAR], stands out for its importance nationwide. It is an anchor project with the capacity to generate synergies and commitment from both the public and the private sector, applying the strategic value of sport in the local development agenda.

This centre has a 2300 meters long and 3m deep main channel, with a side returning channel and also a cooling down channel, becoming the biggest artificial "pool" in the country.

The main building offers:  
16 hangars (24x6m each).  
Restaurant area  
Showers  
Bathrooms  
Gymnasium  
Many polyvalent rooms
